

Arcata Chamber Ambassador Application

Being an Ambassador for the Arcata Chamber of Commerce is an active role designed to build strong relationships within the local business community and promote the Chamber's mission. Ambassadors serve as liaisons between the Chamber, its members, and the broader community, playing a crucial role in member engagement and retention.

Key responsibilities include attending ribbon cuttings, mixers, and special events, and providing ongoing support to ensure businesses feel connected and valued. Ambassadors also assist in fostering a positive image for the Chamber by representing it at community events and encouraging businesses to take advantage of Chamber resources.

Ambassadors are typically business professionals or community leaders passionate about promoting economic growth in Arcata, and their efforts help create a thriving, collaborative business environment. Ambassadors help elevate the Chamber's presence and visibility in the region through networking, outreach, and consistent participation.

TIME COMMITMENT:

Ambassadors will attend quarterly lunches to foster connection within the organization.

We expect ambassadors to attend as many mixers as possible on the first Thursday of each month. You will help check people in, sell raffle tickets, engage with the attendees, and help with either set up or take down.

Ambassadors are expected to volunteer at at least 2 out of 3 of our large events throughout the year, the Annual Dinner in February, Oyster Fest in June, and Jubilee in July. At each of these events, you will receive compensation in either food, drink, or monetary.
